SUBJECT: Well Construction Permit No. WM0600824
Seven (7) monitoring wells
1061 Hwy 177 North
Hamlet, Richmond County

To Whom It May Concern:

In accordance with your application dated August 4, 2010 and received in the Fayetteville Regional Office August 26, 2010 we are forwarding herewith Well Construction Permit No. WM0600824 dated August 26, 2010 issued to NC DENR Division Waste Management for the construction of seven (7) monitoring wells located at the aforementioned site which is owned by Mary Chappell.

This Permit will be effective from the date of its issuance and shall be subject to the conditions and limitations as specified therein.

Please note that according to North Carolina Administrative Code, Title 15A, Subchapter 2C, Section .0105 (g), "it is the responsibility of the well owner or his agent to see that a permit is secured prior to the beginning of construction of any well for which a permit is required."

Issuance of this permit does not constitute approval of the subject wells for reimbursement from Trust Funds.

If any parts, requirements, or limitations contained in this Permit are unacceptable to you, you have the right to an adjudicatory hearing before a hearing officer upon written demand to the Director within 30 days following receipt of this Permit, identifying the specific issues to be contended. Unless such demand is made, this Permit shall be final and binding.

Sincerely,

Stephen A. Barnhardt, L.G.
Aquifer Protection Regional Supervisor

ENVIRONMENTAL MANAGEMENT COMMISSION
RALEIGH, NORTH CAROLINA
PERMIT FOR THE CONSTRUCTION OF A WELL OR WELL SYSTEM

In accordance with the provisions of Article 7, Chapter 87, North Carolina General Statutes, and
other applicable Laws, Rules and Regulations.

PERMISSION IS HEREBY GRANTED TO

NC DENR Division of Waste Management

FOR THE CONSTRUCTION OF one (1) monitoring well on a piece of property owned by Mary Chappell located at 1061 Hwy 177 North, Hamlet, NC in accordance with the application dated August 4, 2010 and in conformity with specifications and supporting data, all of which are filed with the Department of Environment and Natural Resources and are considered a part of this Permit.

This Permit is for well construction only and does not waive any provisions or requirements of the Water Use Act of 1967 or any other applicable laws or regulations.

Construction of a well under this Permit shall be in compliance with the North Carolina Well Construction Regulations and Standards and any other laws and regulations pertaining to well construction. This Permit will be effective from the date of its issuance through the duration of this project.

Permit issued this the 26th day of August 2010.
